

National Service in Illinois

MEETING COMMUNITY NEEDS IN ILLINOIS

More than 20,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Illinois. Serving at more than 2,200 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$38,650,000 to support Illinois communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$15,840,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 3,700 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Illinois. Most AmeriCorps grant funding goes to the Serve Illinois Commission, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 33,000 Illinois residents have served more than 45 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$102,610,000.

Senior Corps: More than 16,000 seniors in Illinois contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 4,400 young people who have special needs. Senior Companions help more than 830 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 1,100 groups across Illinois.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Illinois, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$2,190,000 in expanding the impact of 12 nonprofits in Illinois.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

TOTAL CNCS FUNDING + TOTAL LOCAL PROGRAM SUPPORT					\$54,497,059

Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

¹ This figure represents the number of awarded positions available to be filled in the 2013 - 2014 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.

² This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Illinois. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.

³ AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.

⁴ The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.

⁵ As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 33,000 Illinois residents have served more than 45 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$102,610,000.

National Service Impact in Illinois

AmeriCorps

The Greater Chicago Food Depository's AmeriCorps program addressed hunger in Cook County in 2012-2013 by educating 8,183 clients about healthy eating and cooking habits, providing 1,873 children with meals during the summer, and assisting 19,327 individuals with access to healthy food options at partner agency food pantries. In 2013-2014, the program incorporated AmeriCorps into the organization's new veteran initiative by bringing on two veterans to implement direct service goals. The members launched the first food pantry inside of a V.A. Hospital, in partnership with the Chicago V.A. Medical Center. The goals of the veterans and military families initiatives are to serve 1,000 unique veteran clients at the Jesse Brown V.A. Food Pantry.

AmeriCorps NCCC

The Champaign County Regional Planning Commission is a community action agency that supports the well-being and quality of life for at-risk, low-income, and underserved residents of Champaign County through programs that promote self-sufficiency. The AmeriCorps NCCC team conducted countywide outreach for the Weatherization Assistance Program through distributing information on home energy conservation door-to-door, and also assembled more than 3,500 energy efficiency kits. The team gained knowledge about weatherization and the impact it has on homes, residents, and the environment through their work and presentations. More than 2,000 potentially qualified residents are now aware of programs offered by the agency.

AmeriCorps VISTA

The Legal Access VISTA Partnership, a collaboration of seven AmeriCorps VISTA projects, was formed to increase access to legal services for low-income individuals and families, serving all 102 counties in Illinois. The partners have created a bilingual, self-help website; received a \$600,000 grant to expand foreclosure work, serving 1,136 families; recruited 557 volunteers (including pro-bono attorneys); provided 16,483 hours of volunteer service, a \$375,317 value; raised an additional \$47,500 in cash and \$723,225 of in-kind resources; served 98 veterans; and trained 15 volunteers as certified vet counselors.

Senior Corps

RSVP of Boone and Winnebago Counties is helping to address the increase in adolescent alcohol use by providing BABES (The Beginning Alcohol and Addiction Basic Education Studies Program) to area children. Sixty-six senior volunteers provided 3,800 hours of volunteer service to 768 children and families. The workshops are valued at \$50 per hour, for a community savings of \$190,000. The workshops include the topics of peer pressure, coping skills and alcohol's impact. In post-workshop surveys, 77 percent of children and families responded they were better equipped to form appropriate attitudes and decisions when it comes to alcohol use and abuse.

Social Innovation Fund

The Local Initiatives Support Corporation (LISC), an intermediary grantee of the Social Innovation Fund, is growing Financial Opportunity Centers – a workforce development and asset-building model that boosts earnings, reduces expenses, and coaches low-income families on how to make better financial decisions – to reach 7,500 total participants. In Chicago, LISC has 10 nonprofit subgrantees receiving total annual grants of \$1.7 million, which they match dollar-for-dollar. A rigorous evaluation design to be conducted at Chicago Financial Opportunity Center sites, and additional analysis of other expansion sites, will provide greater evidence about the model's impact on employment, earnings and savings.
